S4. SERVICE CHARGES

S4.2 APPLICATION (continued)

S4.2.2 Service Order Charges

- a. A service order charge will be applicable in addition to the appropriate premises visit, central office work, equipment work and/or installation charge.
- b. Only one service order charge is applicable for all requests made at one time for service on one premise.
- c. The primary service order charge is applicable for requests for initial connection of service and connection of additional local exchange lines, private lines, off-premises extension lines, on-premises extensions located in a different building, or tie lines to an established service, and transfer of service involving change in name and responsibility whether or not there is a lapse in service.
- d. The secondary service order charge is applicable for requests for connection of an extension station or any miscellaneous equipment, number change, restoration of service, change from business to residence service or residence to business service, or establish additional, dual-name, miscellaneous, non-published, and non-listed directory listings. (D)
- e. The primary service order charge and secondary service order charge cannot be applied on the same order. When an order requires work for which both the primary and secondary service order charges would otherwise be applied, only the primary service order charge is applicable.
